Dear Families,

Welcome to Faith Formation 2024-2025!

This handbook has been prepared for you to help find information easier and become better acquainted with the program. Hopefully it accomplishes this!

For information on programs and preparation for the Sacraments of First Reconciliation, First Eucharist, and Confirmation, please refer to the Sacramental Preparation Handbook.

The success of our program highly depends on the help and support of families and the Catechist and aides that volunteer their time to teach and form the children in their Catholic Faith. We thank all of you for everything that you do!

Sincerely,

Monica and Jamie

“The family, the home is where faith is learned and grows.....That is why our families, our homes, are true domestic churches. They are the right place for faith to become life, and life to grow in faith.” - Pope Francis

Our goal is to help and support the whole family in the growth of their Catholic Faith. We have four Family Faith Formation days this year on the calendar. We invite and hope all families in our Faith Formation program will attend and participate together to help foster the faith within the family.

Faith Formation Curriculums:

Pre-School (Ages 3 & 4): Allelu by Our Sunday Visitor

“Growing and Celebrating with Jesus” - Allelu is a Christ-centered early childhood program that uses unique, multi-sensory learning techniques to engage the children in learning about the life and teachings of Jesus Christ and the Catholic Faith. Each Sunday, the children will bring home a child/ family activity sheet that is designed like a placemat for the dinner table. It includes a note for parents/guardians on what your child learned and some activities to reinforce the lesson at home throughout the week.

Elementary: Pflaum Gospel Weeklies, Grades K-5

The Pflaum Gospel Weeklies Curriculum connects catechetical lessons to Sunday Mass with the Sunday Gospel being the heart of each lesson. Each student will receive a lesson booklet, that is different each week, and a catechism handbook that are both at age appropriate levels. The catechism handbook is titled, “What the Church Believes and Teaches.” The titles of the booklets are as follows:

Grades K-1: *Promise*

Grades 2-3: *Good News*

Grades 4-5: *Venture*

Faith Formation Curriculums:

Middle School: Edge from Lifeteen, Grades 6, 7, 8

The goal of this program for middle-school youth is to lead them closer to Jesus Christ and the Church while growing their understanding and knowledge of their Catholic Faith. The sessions are done in a Youth Group format with semester themes and engaging, relevant topics.

High School (Grade 9): Chosen: This is Your Catholic Faith by Ascension Press

This program takes teens on a journey through their entire Catholic Faith. The lessons are structured through DVD (presentations are done by 12 top youth experts in the Church today), workbook and classroom discussions. This is a perfect pre-Confirmation curriculum leading up to the preparation for the Sacrament of Confirmation.

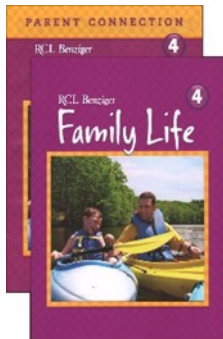

High School (Grade 10): Decision Point - Part One by Dynamic Catholic

Decision Point begins the path towards the Sacrament of Confirmation. The first part of the school year, lessons are covered from part of the curriculum. In January, the second part is covered in the preparation for the Sacrament of Confirmation. The format is DVD presentations by Matthew Kelly, author, founder of Dynamic Catholic and renowned international speaker, followed by group discussions

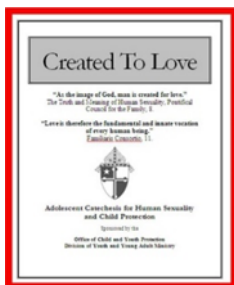

Family Life Curriculums:

Grades K-8 - Benzinger Family Life Series

As part of the elementary and middle school curriculum and as required by the Archdiocese of Baltimore, the Benzinger Family Life Series is used in our program. The sessions are covered during the months of January and February. This series focuses on God's gifts of family, self, life, love and community. Child protection is also covered and discussed in age appropriate manners. In grades five and six, the human reproduction segment is sent home to the parent/guardian.

High School - Created to Love

As part of the high school curriculum and as required by the Archdiocese of Baltimore, the Created to Love series is used in our program. This program focuses on healthy relationships and an understanding of the need of a family environment of love, virtue and respect for the gifts of God. Child protection is also covered and discussed in an age appropriate manner. The Created to Love course is taught every two years either in two class sessions or four class sessions.

Worthy of the Call: Youth Volunteer and Child Protection Training, Ages 14-18

This video-assisted, discussion training, developed by the Archdiocese of Baltimore, is required for all youth, ages 14-18, before volunteering or serving in the Church. The goals of this program are to help keep our youth safe and help them engage in healthy, and meaningful ministry in the Church. This program is incorporated into the High School Curriculum.
